

LA4DE3E

Industrial automation components

Manufacturer	Schneider Electric
Catalog number	la4de3e
Category	Industrial automation components
Product type	Industrial automation components
Status	Legacy / discontinued

Technical specification

Voltage	24 - 48 V
Signal Type	48
I/O Configuration	5
Measurement Range	24 - 48
I/O Channels	5 channels
Signal Level	48 V

Description

MOD.WARYSTOR PPRZEP.CEWKI 220..48VDC Ś
