

LADN22P

Industrial automation components

Manufacturer	Schneider Electric
Catalog number	ladn22p
Category	Industrial automation components
Product type	Industrial automation components
Status	Legacy / discontinued

Technical specification

Weight	0.02 kgs
Voltage	690 V
Signal Level	690 V
Signal Type	690
Relay Specifications	690 VAC

Description

Blok styków pomocniczych wyprzedzających LC1 2NO 2NC
