

LC1D188P7

Industrial automation components

Manufacturer	Schneider Electric
Catalog number	lc1d188p7
Category	Industrial automation components
Product type	Industrial automation components
Status	Legacy / discontinued

Technical specification

Voltage	230 V
Current	32 A
Frequency	50 - 60 Hz
Product Type	Contacteur
Signal Type	230
Signal Level	230 V
Relay Specifications	230 VAC

Description
