

LC1D25V7

Industrial automation components

Manufacturer	Schneider Electric
Catalog number	lc1d25v7
Category	Industrial automation components
Product type	Industrial automation components
Status	Legacy / discontinued

Technical specification

Voltage	400 V
Current	25 A
Frequency	50 - 60 Hz
Product Type	Contactors
Signal Type	400
Signal Level	400 V
Relay Specifications	400 VAC

Description

Schneider Electric motor contactor LC1D25V7 11kW 400V coil 1N0+1NC part 035009
