

LC2DT25GD

Industrial automation components

| | |
|-----------------------|----------------------------------|
| Manufacturer | Schneider Electric |
| Catalog number | lc2dt25gd |
| Category | Industrial automation components |
| Product type | Industrial automation components |
| Status | Legacy / discontinued |

Technical specification

| | |
|-------------------------|----------|
| Weight | 0.91 kgs |
| Voltage | 125 V |
| Horsepower | 5 KW |
| Signal Type | 125 |
| Signal Level | 125 V |
| Power | 5 kW |
| Cooling Capacity | 5 kW |

Description

Układ nawrotny TeSys D 25A 4P 1NO 1NC cewka 125VDC zaciski skrzynkowe
