

LR2K0303

Industrial automation components

Manufacturer	Schneider Electric
Catalog number	lr2k0303
Category	Industrial automation components
Product type	Industrial automation components
Status	Legacy / discontinued

Technical specification

Voltage	690 V
Current	10 A
Power	2 W
Frequency	400 Hz
Measurement Range	0.23 - 36
Product Type	Relay
Standards	iec_60947_4_1
I/O Configuration	2
Signal Level	690 V
Relay Specifications	10 A

Description

Przełącznik termiczny; Seria: TeSys K; Styki pomocnicze: NO + NC
