

LR2K0321

Industrial automation components

Manufacturer	Schneider Electric
Catalog number	lr2k0321
Category	Industrial automation components
Product type	Industrial automation components
Status	Legacy / discontinued

Technical specification

Voltage	250 V
Current	10 - 14 A
Power	100 W
Temperature	2
Product Type	Relay
Signal Type	690
Signal Level	250 V

Description

Przełącznik termiczny; Seria: TeSys K; Styki pomocnicze: NO + NC
