

LRD08L

Industrial automation components

| | |
|-----------------------|----------------------------------|
| Manufacturer | Schneider Electric |
| Catalog number | lrd08l |
| Category | Industrial automation components |
| Product type | Industrial automation components |
| Status | Active product |

Technical specification

| | |
|-----------------------------|-----------|
| Measurement Range | 2.5 - 4 |
| Current | 2.5 - 4 A |
| Relay Specifications | 4 A |

Description

The LRD08L is a relay with a measurement range of 2.5 to 4 A, ideal for industrial applications. Its relay specification is 4, ensuring reliability and precision in current monitoring. With a robust design, the LRD08L is suited for operation in challenging conditions, making it an excellent choice for professional electrical installations.
