

LUCB05BL

Industrial automation components

Manufacturer	Schneider Electric
Catalog number	lucb05bl
Category	Industrial automation components
Product type	Industrial automation components
Status	Legacy / discontinued

Technical specification

Voltage	690 V
Current	1.25 - 5 A
Measurement Range	1.25 - 5
Signal Type	24
Signal Level	24 V
Relay Specifications	5 A

Description

Akcesoria: przekaźnik termiczny
