

LV429041

Industrial automation components

Manufacturer	Schneider Electric
Catalog number	lv429041
Category	Industrial automation components
Product type	Industrial automation components
Status	Legacy / discontinued

Technical specification

Voltage	690 V
Current	80 A
Frequency	50 - 60 Hz
Relay Specifications	690 VAC
Signal Type	690
Signal Level	690 V

Description

Zabezpieczenie termomagnetyczne TMD do wyłącznika Compact NSX100 80A 4P 3D
