

LV429631

Industrial automation components

Manufacturer	Schneider Electric
Catalog number	lv429631
Category	Industrial automation components
Product type	Industrial automation components
Status	Legacy / discontinued

Technical specification

Current	80 A
Component Specifications	nsx100f
Signal Type	415
Signal Level	415 V
Relay Specifications	80 A

Description

Wyłącznik Compact NSX100F TMD 80A 3P
