

LV431542

Industrial automation components

Manufacturer	Schneider Electric
Catalog number	lv431542
Category	Industrial automation components
Product type	Industrial automation components
Status	Legacy / discontinued

Technical specification

Weight	1.36 kgs
Component Specifications	mt250
Signal Type	415
Signal Level	415 V
Relay Specifications	415 VAC
Frequency	50 - 60
Product Type	Motor

Description

Napęd silnikowy MT250 380-415VAC do wyłącznika Compact NSX250
