

LV431631

Industrial automation components

Manufacturer	Schneider Electric
Catalog number	lv431631
Category	Industrial automation components
Product type	Industrial automation components
Status	Legacy / discontinued

Technical specification

Weight	0.38 kgs
Signal Type	415
Signal Level	415 V
Relay Specifications	415 VAC
Current	200 A
Frequency	50 - 60 Hz
Component Specifications	nsx250f

Description

Wyłącznik Compact NSX250F TMD 200A 3P 3D
