

LV480560

Industrial automation components

Manufacturer	Schneider Electric
Catalog number	lv480560
Category	Industrial automation components
Product type	Industrial automation components
Status	Legacy / discontinued

Technical specification

Voltage	120 - 260 V
Frequency	50 - 60
Signal Level	260 V
Signal Type	260
Relay Specifications	260 VAC

Description

Monitor bezpieczników do NFC,DIN,BS do Fupact INF32-800 120-260V
