

LXD1B7

Industrial automation components

Manufacturer	Schneider Electric
Catalog number	lxd1b7
Category	Industrial automation components
Product type	Industrial automation components
Status	Legacy / discontinued

Technical specification

Voltage	24 V
Frequency	50 - 60 Hz
Product Type	Contactator
Signal Type	24
Signal Level	24 V
Relay Specifications	24 VAC

Description

Cewka do stycznika; 24VAC
