

LXD1G7

Industrial automation components

Manufacturer	Schneider Electric
Catalog number	lxd1g7
Category	Industrial automation components
Product type	Industrial automation components
Status	Legacy / discontinued

Technical specification

Voltage	120 V
Current	9 - 38 A
Measurement Range	9 - 38
Product Type	Contactator
Frequency	50 - 60 Hz
Signal Type	120
Signal Level	120 V
Relay Specifications	38 A

Description

Cewka do stycznika TeSys D 9-38A 120VAC
