

LXD1P7

Industrial automation components

Manufacturer	Schneider Electric
Catalog number	lxd1p7
Category	Industrial automation components
Product type	Industrial automation components
Status	Legacy / discontinued

Technical specification

Voltage	230 V
Current	9 - 38 A
Frequency	50 - 60 Hz
Relay Specifications	230 VAC
Product Type	Contactator
Signal Type	230
Signal Level	230 V

Description

Cewka do stycznika TeSys D 9-38A 230VAC
