

LXD3E7

Industrial automation components

Manufacturer	Schneider Electric
Catalog number	lxd3e7
Category	Industrial automation components
Product type	Industrial automation components
Status	Legacy / discontinued

Technical specification

Frequency	50 - 60 Hz
Product Type	Contactator
Signal Type	48
Signal Level	48 V
Relay Specifications	48 VAC
Current	65 A

Description

D40A-D65A SPARE PART COIL 48VAC
