

LXM32CD30M2

Industrial automation components

Manufacturer	Schneider Electric
Catalog number	lxm32cd30m2
Category	Industrial automation components
Product type	Industrial automation components
Status	Legacy / discontinued

Technical specification

Weight	0.45 kgs
Voltage	115 - 230 V
Current	10 A
Interface Type	rj45
Component Specifications	rs485
Product Type	Drive
Signal Type	230
Signal Level	230 V
Relay Specifications	230 VAC

Description

Lexium 32C Puls/Kierunek Analog 115/230V
