

M9F23132

Industrial automation components

Manufacturer	Schneider Electric
Catalog number	m9f23132
Category	Industrial automation components
Product type	Industrial automation components
Status	Legacy / discontinued

Technical specification

Current	32 A
Component Specifications	ul1077
Material Grade	EN 60947-2
Relay Specifications	32 A
Standards	en_60947_2

Description

Wyłącznik nadprądowy C60-UL1077-D35-1; zaciski windowe; 277V; 1-biegunowy
