

M9R81263

Industrial automation components

Manufacturer	Schneider Electric
Catalog number	m9r81263
Category	Industrial automation components
Product type	Industrial automation components
Status	Legacy / discontinued

Technical specification

Voltage	120 - 240 V
Signal Level	240 V
Relay Specifications	63 A
Current	63 A
Measurement Range	120 - 240

Description

Proud. chránič Multi9 2P 63A 26mA A-SI type 120-240V
