

NWBM85C002

Industrial automation components

Manufacturer	Schneider Electric
Catalog number	nwbm85c002
Category	Industrial automation components
Product type	Industrial automation components
Status	Legacy / discontinued

Technical specification

Weight	0.93 kgs
Interface Type	modbus
Signal Level	220 V
Voltage	220 V
Product Type	Module
Signal Type	220

Description

MULTIPLEKSER MB+NA 4XMB
