

RM22TG20

Industrial automation components

Manufacturer	Schneider Electric
Catalog number	rm22tg20
Category	Industrial automation components
Product type	Industrial automation components
Status	Legacy / discontinued

Technical specification

Voltage	183 - 528 V
Current	8 A
Frequency	50 - 60 Hz
Product Type	Relay
Signal Type	528
Signal Level	528 V
Relay Specifications	528 VAC

Description

Moduł: przekaźnik nadzorczy napięcia; na szynę DIN; 250VAC/8A
