

RM22UA21MR

Industrial automation components

Manufacturer	Schneider Electric
Catalog number	rm22ua21mr
Category	Industrial automation components
Product type	Industrial automation components
Status	Active product

Technical specification

Voltage	24 - 240 V
Power Supply Type	AC
Signal Level	240 V
Relay Specifications	240 VAC
Product Type	Relay
Signal Type	240

Description

The RM22UA21MR relay from Schneider Electric is a reliable device powered by alternating current, operating within a voltage range of 24 to 240 V. Its relay specification and signal level are both 240, making it an ideal solution for applications requiring precise control. This relay offers high performance and durability, making it suitable for various industrial applications.
