

RM4-TG20

Industrial automation components

Manufacturer	Schneider Electric
Catalog number	rm4-tg20
Category	Industrial automation components
Product type	Industrial automation components
Status	Legacy / discontinued

Technical specification

Weight	0.10 kgs
Voltage	198 - 484 V
Relay Specifications	440 VAC
Frequency	50 - 60 Hz
Measurement Range	198 - 484
Product Type	Relay
Signal Type	440
Signal Level	440 V
