

RUMC21F7

Industrial automation components

Manufacturer	Schneider Electric
Catalog number	rumc21f7
Category	Industrial automation components
Product type	Industrial automation components
Status	Legacy / discontinued

Technical specification

Voltage	277 V
Current	10 A
Frequency	60 Hz
Product Type	Relay
Signal Type	277
Signal Level	277 V
Relay Specifications	277 VAC

Description

2CO 10A RELAY CYLIND
