

SD328AU68S2

Industrial automation components

Manufacturer	Schneider Electric
Catalog number	sd328au68s2
Category	Industrial automation components
Product type	Industrial automation components
Status	Legacy / discontinued

Technical specification

Weight	0.60 kgs
Frequency	50 - 60 Hz
Power Supply Type	AC
Signal Type	240
Relay Specifications	240 VAC
Current	6.8 A
Product Type	Motor
Signal Level	240 V

Description

Lexium (ANALOG, P/D, MODBUS)
