

SH31004P11A2000

Industrial automation components

Manufacturer	Schneider Electric
Catalog number	sh31004p11a2000
Category	Industrial automation components
Product type	Industrial automation components
Status	Legacy / discontinued

Technical specification

Weight	9.07 kgs
Component Specifications	sh3100
Product Type	Motor
Torque	10
Speed (RPM)	6000 RPM

Description

Serwosilnik SH3 100mm 10Nmle
