

SR2 E121BD

Industrial automation components

Manufacturer	Schneider Electric
Catalog number	sr2-e121bd
Category	Industrial automation components
Product type	Industrial automation components
Status	Legacy / discontinued

Technical specification

No technical specifications available.

Description

SR2E121BD | Schneider, Compact Smart Relay Zelio Logic, 24 V ac, Relay Output, Analogue;Digital Input, 107.6 x 59.5 x 71.2 mm | Brand / Manufacturer: Schneider | product type: Compact Smart Relay Zelio Logic | supply voltage: 24 V dc | type of output: Relay | number of results: 4 | type of contribution: Analogue;Digital | number of contributions: 8 | type of network: MODBUS;EtherNet
