

STBNDN2212

Industrial automation components

Manufacturer	Schneider Electric
Catalog number	stbndn2212
Category	Industrial automation components
Product type	Industrial automation components
Status	Legacy / discontinued

Technical specification

Weight	0.45 kgs
Voltage	5.25 V
Interface Type	devicenet
Product Type	Module
Signal Type	24
Signal Level	24 V
Relay Specifications	2 A
Current	1.2 A

Description

Moduł komunikacyjny DEVICENET
