

TM5SD02R

Industrial automation components

Manufacturer	Schneider Electric
Catalog number	tm5sdo2r
Category	Industrial automation components
Product type	Industrial automation components
Status	Legacy / discontinued

Technical specification

Weight	0.01 kgs
Voltage	30 V
Relay Specifications	230 VAC
Current	10 A
Product Type	Module
Signal Type	230
Signal Level	230 V

Description

MOD. 2D0 30VDC/230VAC 5A RELAY C/O
