

TSXCTY4A

Industrial automation components

Manufacturer	Schneider Electric
Catalog number	tsxcty4a
Category	Industrial automation components
Product type	Industrial automation components
Status	Active product

Technical specification

Voltage	24 V
Frequency	40 KHZ
Product Type	Module
Industrial Safety	plc
Current	4 A
Channel Configuration	4
Signal Type	24
Signal Level	24 V
Safety Level	plc

Description

The TSXCTY4A module from Schneider Electric is an advanced solution for industrial automation systems. It operates at a voltage of 24V and a current of 4A, making it ideal for applications requiring stability and reliability. With a frequency of 40Hz and a configuration of 4 channels, this module offers flexibility in integration with various systems. Additionally, its PLC safety level ensures high quality and operational safety.
