

TSX-P57-102M

Industrial automation components

Manufacturer	Schneider Electric
Catalog number	tsxp57102m
Category	Industrial automation components
Product type	Industrial automation components
Status	Active product

Technical specification

Weight	0.64 kgs kg
---------------	-------------

Description

The TSX-P57-102M is a product from Schneider Electric weighing 0.64 kg. It is a component of an automation system that ensures reliable operation in various industrial applications. Its design is focused on high performance and durability, making it an ideal solution for demanding environments.
