

TSXP572634MC

Industrial automation components

Manufacturer	Schneider Electric
Catalog number	tsxp572634mc
Category	Industrial automation components
Product type	Industrial automation components
Status	Active product

Technical specification

Weight	0.34 kgs kg
---------------	-------------

Description

The TSXP572634MC module from SCHNEIDER ELECTRIC weighs 0.34 kg, providing convenience during installation and transport. This product is designed for use in industrial automation, offering robustness and efficiency in operation. Its design promotes space optimization in systems.
