

VBD2

Industrial automation components

Manufacturer	Schneider Electric
Catalog number	vbd2
Category	Industrial automation components
Product type	Industrial automation components
Status	Legacy / discontinued

Technical specification

Current	40 A
Frequency	50 - 60
Product Type	Switch
Signal Level	690 V
Relay Specifications	40 A

Description

Rozłącznik główny bezpieczeństwa; Bieguny: 3; na panel; 40A; IP65
