

VCD02

Industrial automation components

Manufacturer	Schneider Electric
Catalog number	vcd02
Category	Industrial automation components
Product type	Industrial automation components
Status	Legacy / discontinued

Technical specification

Current	12 A
Product Type	Switch
Signal Type	690
Signal Level	690 V
Relay Specifications	12 A

Description

Rozłącznik główny bezpieczeństwa; Bieguny: 3; na panel; 12A; IP65
