

VW3E704100000

Industrial automation components

Manufacturer	Schneider Electric
Catalog number	vw3e704100000
Category	Industrial automation components
Product type	Industrial automation components
Status	Legacy / discontinued

Technical specification

Weight	1.36 kgs
Interface Type	ethernet
Component Specifications	lmc078
Product Type	Module
I/O Channels	2 channels
I/O Configuration	2

Description

MODUŁ KOMUNIKACJI ETHERNET RT DO LMC
