

VX5VPM001

Industrial automation components

| | |
|-----------------------|----------------------------------|
| Manufacturer | Schneider Electric |
| Catalog number | vx5vpm001 |
| Category | Industrial automation components |
| Product type | Industrial automation components |
| Status | Legacy / discontinued |

Technical specification

| | |
|--------------------------|-------------|
| Weight | 0.45 kgs |
| Voltage | 380 - 440 V |
| Product Type | Drive |
| Signal Level | 440 V |
| Horsepower | 315 KW |
| Cooling Capacity | 315 kW |
| Measurement Range | 380 - 440 |

Description

Wentylator modułu mocy
