

VZ11

Industrial automation components

Manufacturer	Schneider Electric
Catalog number	vz11
Category	Industrial automation components
Product type	Industrial automation components
Status	Legacy / discontinued

Technical specification

Voltage	690 V
Current	40 A
Frequency	50 - 60 Hz
Product Type	Module
Signal Type	690
Signal Level	690 V
Relay Specifications	690 VAC

Description

Zacisk neutralny; 12÷40A; TeSys VARIO
