

XBTGC2230U

Industrial automation components

Manufacturer	Schneider Electric
Catalog number	xbtgc2230u
Category	Industrial automation components
Product type	Industrial automation components
Status	Active product

Technical specification

Signal Type	sink
Product Type	Controller

Description

The XBTGC2230U is an advanced controller from Schneider Electric, designed for operation in demanding industrial applications. Its signal type is sink, ensuring efficient signal management in automation systems. With a robust design and reliability, this controller is an ideal solution for various manufacturing processes.
