

XBT-P011010

Industrial automation components

Manufacturer	Schneider Electric
Catalog number	xbtp011010
Category	Industrial automation components
Product type	Industrial automation components
Status	Active product

Technical specification

Signal Type	24
Power	10
Signal Level	24 V
Relay Specifications	24 VAC

Description

The XBT-P011010 is an advanced product from Schneider Electric, designed for industrial applications. It offers a power of 10, making it an ideal solution for systems requiring reliability. The signal type is 24, ensuring stable communication across various applications. The signal level also stands at 24, guaranteeing optimal performance. The relay specification, also at 24, highlights its versatility and capability to operate in challenging industrial environments.
