

XC1ZP2

Industrial automation components

Manufacturer	Schneider Electric
Catalog number	xclzp2
Category	Industrial automation components
Product type	Industrial automation components
Status	Legacy / discontinued

Technical specification

Current	10 A
Product Type	Switch
Signal Type	600
Signal Level	600 V
Relay Specifications	10 A
Voltage	600 V

Description

Telemecanique Sensors Limit Switch Contact Block, OsiSense XC
