

XCKM521H29

Industrial automation components

Manufacturer	Schneider Electric
Catalog number	xckm521h29
Category	Industrial automation components
Product type	Industrial automation components
Status	Legacy / discontinued

Technical specification

No technical specifications available.

Description

Telemecanique Sensors Plunger Roller Lever Limit Switch, 1NC/1NO, IP66, DP, Metal Housing, 500V ac Max, 10A Max
