

XD2AC2319H2

Industrial automation components

Manufacturer	Schneider Electric
Catalog number	xd2ac2319h2
Category	Industrial automation components
Product type	Industrial automation components
Status	Legacy / discontinued

Technical specification

Weight	0.45 kgs
Voltage	600 V
Signal Level	600 V
Relay Specifications	600 VAC
Current	10 A
Product Type	Controller
Signal Type	600

Description

MANIPULATOR
