

XENT1192

Industrial automation components

Manufacturer	Schneider Electric
Catalog number	xent1192
Category	Industrial automation components
Product type	Industrial automation components
Status	Legacy / discontinued

Technical specification

Voltage	400 V
Current	6.3 A
Product Type	Switch
Signal Type	400
Signal Level	400 V
Relay Specifications	400 VAC

Description

Element stykowy; Harmony XAC; NC + NC + NC; -25÷70°C
