

XMLK300P2D23

Industrial automation components

Manufacturer	Schneider Electric
Catalog number	xmlk300p2d23
Category	Industrial automation components
Product type	Industrial automation components
Status	Legacy / discontinued

Technical specification

Voltage	12 - 24 V
Pressure	600 PSI
Measurement Range	12 - 24
Signal Level	24 V

Description

Przetwornik ciśnienia 24V, 0...300psi, konektor M12
