

XMLR400M1N25

Industrial automation components

Manufacturer	Schneider Electric
Catalog number	xmlr400m1n25
Category	Industrial automation components
Product type	Industrial automation components
Status	Legacy / discontinued

Technical specification

Voltage	24 V
Pressure	400 bar
Signal Level	24 V
Product Type	Switch

Description

Czujnik ciśnienia z wyjściem NPN, 24V DC, 400 bar, konektor M12
