

XPER5110D

Industrial automation components

Manufacturer	Schneider Electric
Catalog number	xper5110d
Category	Industrial automation components
Product type	Industrial automation components
Status	Legacy / discontinued

Technical specification

Weight	2.76 kgs
Voltage	240 V
Cable Specification	2 × 2
Relay Specifications	240 VAC
Current	3 A
Product Type	Switch
Signal Type	240
Signal Level	240 V

Description

Łącznik nożny podwójny z osłoną pomarańczowy 4 NC+ 4NO metalowy
