

XPSOT3444

Industrial automation components

Manufacturer	Schneider Electric
Catalog number	xpsot3444
Category	Industrial automation components
Product type	Industrial automation components
Status	Legacy / discontinued

Technical specification

Weight	1.36 kgs
Voltage	115 V
Frequency	50 - 60 Hz
Product Type	Module
Signal Type	115
Signal Level	115 V
Relay Specifications	115 VAC

Description

Moduł bezpieczeństwa Preventa Wyłącznik 115VAC
