

XS108B3PAL5

Industrial automation components

Manufacturer	Schneider Electric
Catalog number	xs108b3pal5
Category	Industrial automation components
Product type	Industrial automation components
Status	Legacy / discontinued

Technical specification

Weight	0.91 kgs
Voltage	12 - 24 V
Measurement Range	12 - 24
Product Type	Sensor
Signal Type	24
Signal Level	24 V

Description

Telemecanique Sensors Inductive Barrel-Style Proximity Sensor, M8 x 1, 2.5 mm Detection, PNP Output, 12 → 24 V
